

COAST GUARD FOUNDATION 2014

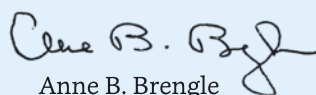

ANNUAL REPORT

This annual report of programs and donors is a great snapshot of our efforts to support the men and women of the United States Coast Guard and their families. On these pages we've dedicated space to highlighting how we support the service and those who make the support possible. We are proud of our support that brought seven large-scale capital projects, including a state of the art community center for Coast Guard families stationed in remote Sault Ste Marie, Michigan.

We are proud that our support of morale, wellness and recreation initiatives continued to impact Coast Guard members at 160 units and locales across the globe. Our support for education, in the form of grants and scholarships for enlisted members, their spouses and their children, topped \$650,000, reaching more than 1,200 people.

And yet these facts and figures don't tell the true and complete story of how our support, through the generous and thoughtful contributions of thousands of people who care about supporting these brave men and women of the Coast Guard, changes lives. The real story can be found in the faces and smiles of those who now have playgrounds to gather with their families and build community. It's the 600 people and families stationed in one of the most remote locations in the United States, having a community center to host holiday parties, birthday celebrations and Coast Guard Day festivities.

It's Coast Guard members knowing that their service is valued and appreciated and held in high esteem by the general public. It's Coast Guard members feeling confident that their families are well taken care of when they are on duty and deployed. Our supporters make this possible and for that, we are thankful to partner with you to raise up our Coast Guard families in appreciation and gratitude. *Semper Paratus* and thank you!

Anne B. Brengle
President

/ DEDICATION

Our annual report is dedicated to Robert J. Flynn, Chairman of the Coast Guard Foundation Board of Directors and Trustees, who passed away in February, 2015. Bob was elected Chairman of our Board of Trustees in 2012. He was a member of the board since 2002, and was vice chairman for several of those years, and he was instrumental in transforming our organization.

Bob was a familiar face at the annual Salute to the Coast Guard in New York, our national awards dinner, where he has served as master of ceremonies for seven years. His attendance at the Coast Guard Academy, where he graduated in 1974, was a formative experience in his life. He served as an officer in the Coast Guard for five years. When he joined our board of directors, Bob saw an opportunity to give back to the Foundation that had benefited him as a young Coast Guard service member.

In the months since Bob's passing, the Coast Guard Foundation has established the Robert J. Flynn Pathway to Achievement Fund, to enhance the Coast Guard Academy's ability to identify and attract students throughout a diverse population who would be strong candidates with additional education support. An initial gift of \$50,000 has been made to the Coast Guard Academy in 2015, while the fund continues to grow for future officer recruitment and development.

Support for education is a cornerstone of the Coast Guard Foundation's commitment to the men and women of the United States Coast Guard. In 2014, we awarded 67 scholarships to children of enlisted Coast Guard members. We can speak to the impact the scholarships had on the students who received them, but we think their declarations are so much stronger than anything we could state.

In 2014, we awarded 67 scholarships to children of enlisted Coast Guard members. This is impacting lives today, and will leave a lasting legacy for these families into the future. "By awarding me this incredible scholarship...you inspired me to continue to help others and give back to the community," said Haley Schaeffer, who is studying Conservation Biology at St. Lawrence University. "This scholarship will allow me to continue my education and fulfill my future education goals and so help the global community sustain a healthy environment for our future generations." Jennifer Wright, who is studying music education at Florida State University, said, "Thank you so much for this scholarship. The Coast Guard Foundation has been my saving grace for the past few years, and I am incredibly grateful for everything it has done for me. I can't wait to graduate and give back to a military that has been so generous to me."

The education support extends to Coast Guard members, too. Our education grant program for active duty enlisted members makes a real difference for members who are pursuing a college degree and other certification programs. Our program started in 1999 and has grown each year to meet the demand for support to help pay for traditional education

costs not covered by government-funded tuition assistance, as well as Captain's Licenses, certified professional athletic training programs and financial planning courses. In 2014, we awarded 683 grants to enlisted Coast Guard members, totaling \$200,000 in support.

Generous donors from around the country answered the call to provide grants and scholarships for Coast Guard enlisted members. Two of the grant programs are named for former Coast Guard members. Roy Vander Putten sponsors the very popular "Vander Putten Enlisted Grant Program" that accounts for hundreds of awards each year; the RADM William F. Rea awards grants for Coast Guard members pursuing an education in the marine sciences.

Coast Guard spouses support their service members and families; we are proud of our scholarship program that can make the pursuit of higher education and training accessible for spouses like Beverly Sanchez, who is enrolled in a master's program to become a nurse practitioner, specializing in women's health. She holds a bachelor's degree in nursing and has worked in hospitals around the country, wherever her family is stationed. "Securing my education has allowed me to offer services to groups that I never would have been able to without it. It's important to me to become a primary care provider for those patients who wouldn't normally get the best care, and being a military spouse has prepared me to work with a diverse set of patients, and has prepared me to do any job."

In 2014, we awarded 76 grants to Coast Guard spouses. Our spouse grant program is named in honor of the late Coast Guard Foundation staff member, Lisa Cook Reed.

SUPPORT FOR THE COAST GUARD ACADEMY

Electrical engineering majors at the U.S. Coast Guard Academy deliver their mid-year Capstone Project presentations December 12, 2014. In attendance were Rear Admiral Marshall Lytle, Commander of the U.S. Coast Guard Cyber Command, Rear Admiral Sandra Stosz, U.S. Coast Guard Academy Superintendent, and several members of the Coast Guard information systems community.

Recruiting and retaining a highly competent corps of cadets is a top priority of the United States Coast Guard, and Coast Guard Foundation support goes a long way to ensure these measures are met. Coast Guard Foundation support funds academic and athletic programs at the Academy, including our long-standing support of the waterfront program and the offshore sailing team.

Many cadet activities are made possible by the Foundation, including cadet music programs, spring break-learning trips and cadet chorale group travel. The Coast Guard Foundation Hedrick Fellow program returned in 2014 with an appearance by Supreme Court justice Antonin Scalia. During the two-day trip to the Coast Guard Academy, Justice Scalia spent time with individual classes and delivered an address to the Coast Guard Academy community at large.

The United States Coast Guard Academy earned the number one spot in the “Regional Colleges North” category of *U.S. News & World Report’s* “Best Colleges” publication for first time in 2014.

In 2014, 1st class cadet Jessie Lukasik was granted a Fulbright Fellowship to study marine economic development in Mauritius during the 2014–2015 academic year. The Fulbright Program is the flagship international educational exchange program for the United States. Cadet Lukasik is pursuing a master’s degree at the University of Mauritius. Cadet Lukasik is representing the country as a cultural ambassador while she is overseas, helping to enhance mutual understanding between Americans and the people of Mauritius.

SHIPMATE FUND AND CAPITAL PROJECTS

COAST GUARD FOUNDATION 2014

Pictured here with members of the Coast Guard from Station Ft. Pierce are Coast Guard Foundation board members VADM Sally Brice-O'Hara, USCG (Ret.) and David Dyer, and Coast Guard Foundation Regional Director of Philanthropy Brian Overcast.

The United States Coast Guard has a retention rate in the 90%+ category; new recruits are entering the Training Center at Cape May with advanced degrees. All recruits graduate from Cape May highly motivated and ready to serve our country. The Coast Guard Foundation is committed to serving these dedicated members and their families with high quality programs and resources that enhance their service and better prepare them for duty. We take on small and large projects that can have big impacts and results for Coast Guard members. Coast Guard members serving at 160 units all across the country benefitted from morale, fitness and recreation initiatives in 2014. One of the best features of this program is that Coast Guard members have input in developing the priority list. In some locales, cross country skis and snowshoes are top of the registry; in other parts of the country, canoes, kayaks and stand up paddle boards are more popular choices. Opportunities for fitness machines and resistance equipment are top priorities, and fishing poles, tackle boxes and large coolers are prevalent everywhere!

Coast Guard Foundation President Anne B. Brengle presented Rear Admiral Fred M. Midgette with a \$400,000 gift for the Sault Sainte Marie Community Center in April, 2014 (left). We broke ground on the Center in September, 2014 (center), and celebrated the opening of the Center in July, 2015 (right).

Susan Ludwig and Tom Niles of the Coast Guard Foundation cut the ribbon at the renovated bowling center at Air Station Cape Cod, with Richard Carman, Morale Officer, and Michael Andrew Clyburn, Commanding Officer.

Employees from Goldman Sachs volunteered their time to help build a playground at Coast Guard Sector New York on Staten Island in May 2014. A playground was also constructed at Station Eaton's Neck, New York.

We took on seven large-scale projects across the country in 2014, providing improved infrastructure and deepening resources for Coast Guard communities:

- Constructed a community center in Sault Ste. Marie, Michigan
- Restored a swimming pool in Miami, Florida
- Built a playground for families in Eaton's Neck, New York
- Built a playground for families in Staten Island, New York
- Renovated a community bowling center in Cape Cod, Massachusetts
- Reconstructed a community building in St. Petersburg, Florida
- Established a tribute display to the Coast Guard Rescue Swimmer Heritage in Elizabeth City, North Carolina

Victor Rouland, who earned the Distinguished Flying Cross for his heroic efforts saving 140 people from massive California floods, cuts the ribbon at a new exhibit honoring the tradition of the Rescuer Swimmer at the training center in Elizabeth City, North Carolina.

RELIEF FOR COAST GUARD FAMILIES ▶ When the unthinkable happens, the Coast Guard Foundation is there to provide a lifeline of support to Coast Guard members and their families. In 2014, we assisted units and families of those who lost their lives in the line of duty, and those who suffered critical injury. We hosted memorial services at bases, arranged travel for junior crewmembers attending funerals, and assisted the Coast Guard with support to the families so they could be at the memorials, or near an injured member. When critical injury or loss of life happens it impacts both families and service members alike. Our support to both is instrumental in honoring dedicated service and sacrifice and supporting those left behind.

MISSION SUPPORT FOR THE COAST GUARD AUXILIARY ▶ The Coast Guard Auxiliary is a group of dedicated volunteers who are committed to boating safety and maritime education, who volunteer more than 2 million hours of their time annually in these efforts. The Auxiliary has more than 30,000 individual members who operate on orders from local Coast Guard offices. Their duties include vessel safety checks, harbor patrols and boating safety classes, just to name a few. The Foundation partners with the Auxiliary to benefit local flotillas throughout the country and the Auxiliary at the national leadership level.

HONORING COAST GUARD HEROES

COAST GUARD FOUNDATION 2014

We recognized the bravery of the men and women of the United States Coast Guard at tribute dinners from Hawaii to Washington, Florida to Alaska, and many places in between in 2014. Our three golf tournaments, in New York, Virginia and California, benefited Foundation scholarship programs. The Coast Guard Foundation Run to Remember movement held 44 events in 21 states to remember the Coast Guard's fallen heroes and pay tribute to their legacy and families.

NEW YORK, OCTOBER 2014 ▶ ADM Paul F. Zukunft, Commandant, at the 34th Annual Salute to the United States Coast Guard in New York City.

NEW ORLEANS, MARCH 2014 ▶ The Tribute to the Coast Guard in New Orleans honored seven "super spouses" from throughout the Eighth District, for their commitment to the service and to Coast Guard families.

We honored Coast Guard spouses at our **Tribute to the Eighth District in New Orleans** in March for the vital role they play in supporting those who serve and keep our country safe. Seven "super spouses" from throughout the district were highlighted as shining examples of commitment and dedication to their families and Coast Guard communities: Katie Wuillen, Aviation Training Center Mobile, Mobile, Alabama; Sarah Terveen, Marine Safety Unit Huntington, Barboursville, West Virginia; Cara Doerr, Coast Guard Cutter Cypress, Pensacola, Florida; Sedonia Cheatham, Air Station New Orleans, New Orleans, Louisiana; Hallie Conger, Marine Safety Unit Port Arthur, Port Arthur, Texas; Sofia Stitz, Marine Safety Detachment Quad Cities, Rock Island, Illinois and Alma Buckley, Coast Guard Sector New Orleans, New Orleans, Louisiana.

In April, the Coast Guard Foundation honored heroism in the Pacific with events in Hawaii and California. At the **Tribute to the Fourteenth District in Honolulu**, we were joined by 2013 America's Cup CEO Sir Russell Coutts, who led the Oracle Team to a comeback victory in September.

Our **Pacific Area Awards Dinner in San Francisco** featured three awards. The crew of the Coast Guard Cutter *Washington*, LT Nathan MacKensie and MKC Anthony Harris, earned the Admiral John B. Hayes Award. Rescue swimmer AST3 Corey A. Fix, from Air Station San Francisco, won the Admiral James S. Gracey Award. The Admiral Chester R. Bender Award was presented to a helicopter crew from Air Station Sitka, Alaska: LCDR James Gibson, pilot; LT Christopher Enoksen, co-pilot; AET2 Mark Newkirk, flight mechanic; and AST3 David White, rescue swimmer.

SAN FRANCISCO, APRIL 2014 ▶ At left, RADM Karl Schultz, District 11 Commander (left), and VADM Charles Ray, Pacific Area Commander (right), with Admiral James S. Gracey Awardee AST3 Corey Fix and family. Center, RADM Schultz and VADM Ray with the crew of the Cutter *Washington*, who received the Admiral John B. Hayes Award. At right, VADM John Currier (left) and Bob Flynn (right) with the air crew from Air Station Sitka, who received the Chester R. Bender Award.

Our **Tenth Annual Tribute to the United States Coast Guard in our Nation's Capital** was held in June and honored the service's vital work for our nation. Department of Homeland Security Secretary Jeh Johnson, Vice Commandant Peter Neffenger and Commandant Paul Zukunft all spoke on the importance of supporting the most crucial asset of the Coast Guard — those who wear the uniform. "The Foundation does wonderful things. You take care of our people, and for that we are forever grateful," Secretary Johnson said. "You're there to take care of the families of the fallen... we know if something happens to our Coast Guard family, you will be there. We cannot emphasize enough the importance of the Coast Guard Foundation."

The **Alaska Awards Dinner in Anchorage**, held in August, honored Coast Guard members from Sector Anchorage and an air crew from Air Station Kodiak who responded to the grounding of the *Alaska Mist* fishing vessel. During the rescue, Coast Guard Petty Officer Travis Obendorf from CGC *Waesche* was mortally wounded. Despite the tragic outcome of this event, the efforts of Air Station Kodiak and Sector Anchorage resulted in many lives assisted. Their heroism, bravery, dedication and devotion to duty are in keeping with the highest traditions of the United States Coast Guard. Representing the efforts of Air Station Kodiak and Sector Anchorage were CAPT Melissa Rivera, LCDR David Johnson, CMC David Ozuna and AST2 David Burns.

WASHINGTON DC, JUNE 2014 ▶ Department of Homeland Security Secretary Jeh Johnson spoke at the Tribute to the United States Coast Guard in our Nation's Capital.

Geraldo Rivera, world-class sailor and Fox News Senior Correspondent, and Sig Hansen, Captain of the F/V *Northwestern* and star of the Discovery Channel’s “Deadliest Catch” joined us to pay tribute to those who serve in the great state of Alaska, an area known for challenging weather conditions that make serving there a difficult deployment. Both men later appeared on “Celebrity Apprentice,” with Captain Sig competing to raise money for the Coast Guard Foundation, and Mr. Rivera generously donating \$40,000 to our cause.

At our [Annual Salute to the United States Coast Guard in New York City](#), we honored two crews for heroic action. The helicopter crew of CG-6515, which was composed of Lt. Commander James Kenshalo, Lt. Beau Belanger, Petty Officer 3rd Class Travis Swain, and Petty Officer 3rd Class Corey Fix, was honored for saving the lives of six hikers stranded in remote cliffs near Point Reyes, California in incredibly difficult flying conditions. In addition to the helicopter crew, a small boat unit from Station Humboldt Bay was recognized for saving the lives of two boaters who had capsized in the heavy surf of Humboldt Bay, California. The motor lifeboat crew was represented by BM2 Victoria Hansen, MK2 Louis Ciccoli, SN Jacob Roberds, and SN Noah Perry.

ANCHORAGE, AUGUST 2014 ▶ ADM Paul Zukunft, VADM Charles Ray, Senator Lisa Murkowski, Senator Mark Begich, Congressman Don Young, Brad Sisley (back) with Coast Guard crews from Sector Anchorage and Air Station Kodiak at the Alaska Awards Dinner.

NEW YORK, OCTOBER 2014 ▶ At left, the crew of CG-6515 from Air Station San Francisco, who were honored at the Salute to the United States Coast Guard, and their families. At right, ADM Paul Zukunft and VADM Peter Neffenger with the crew from Station Humboldt Bay, who were also recognized at the dinner.

CHIEF CLEFFI LEFT A LEGACY IN SOUTHERN CALIFORNIA

PO R. Angelo Cleffi, USCG (Ret.) — affectionately and respectfully known as “Chief” to everyone — passed away in August 2014. Chief Cleffi was dedicated to the service and committed to Coast Guard families. He was a champion for our scholarship program, and worked tirelessly for many years, as chair of the Southern California Scholarship Golf Tournament, to involve others in our efforts. His legacy of service lives on at the Coast Guard Foundation, and in all we do to support Coast Guard members and their families.

MIAMI, NOVEMBER 2014 ▶ Bob Flynn and Anne Brengle honored the crew of CG-6027 from Coast Guard Air Station Clearwater, who rescued more than 100 shipwrecked Haitians, at the Tribute to the Coast Guard Seventh District.

returned to Miami in 2014, and we took the opportunity to honor the crew of CG-6027 from Air Station Clearwater for life-saving actions that resulted in the rescue of more than 100 Haitian nationals who had been shipwrecked off the Bahamas. The crew included LCDR Samuel H. Babbit, LT Jonathan E. Ralson, AMT3 David J. McPeters and AST3 Christopher P. Ensley. The event was emceed by Efreem “Skip” Zimbalist III, chairman and CEO of Active Interest Media, Inc. The Foundation paid special tribute to former Commandant of the Coast Guard and former Seventh District Commander Admiral Thad Allen, USCG (Ret.).

Both Vice Commandant Peter Neffenger and Commandant Paul Zukunft spoke at the dinner, praising the work of those who serve our country every hour of every day. Vice Admiral Neffenger spoke of the gratitude the Coast Guard has for the work we do, saying, “That’s a true foundation. And we stand on that support every day.” In addition to the men and women of the service, the Coast Guard Foundation honored two of our staunchest supporters, in recognition of their overwhelming generosity over the years. Mr. James J. Coleman, chairman of the National Coast Guard Museum Association, and Mr. Michael Strianese, Chairman, President, and CEO of L-3, received awards from the Foundation.

Our **Tribute to the Coast Guard Seventh District**

RUN TO REMEMBER EVENTS 2014

The 2014 Coast Guard Foundation Run to Remember honored our Coast Guard’s fallen heroes in cities around the country. Forty-four R2R events were held in 2014, including runs at Gitmo (right), Tampa (above, left) and Sacramento (above, right). A big part of the Run to Remember campaign is the commemorative T-shirt that marks all of the names of those who have given their lives in service of our country. The list is based on information from the historian’s office of the United States Coast Guard. All proceeds from the Run to Remember go to support our Fallen Heroes Fund, which helps families and individuals affected by tragedies that occur while serving on active-duty. These events allow us to honor and remember our Coast Guard fallen heroes and their families, recognizing their service and sacrifice for our country and continuing the important work of paying tribute to those who are gone, but not forgotten.

COAST GUARD FOUNDATION ACCOMPLISHMENTS 2014 AND 2015

THANKS TO YOUR SUPPORT, IN 2014 THE COAST GUARD FOUNDATION...

- Awarded \$600,000 in scholarships and grants to assist 1,258 enlisted Coast Guard members, their spouses and their children reach their higher education goals. Frequent moves and deployments make college and professional training challenging; lack of financial resources can provide even more roadblocks to success. Our robust and wide-ranging scholarship program helps make the dream of a college degree realistic for many Coast Guard members and their families.
- Provided \$640,000 to fund 300 morale and welfare projects, benefiting thousands of active duty Coast Guard members at 160 units, including Guam and remote locations in Alaska. These funds provided fitness gear, BBQ grills for family outings, fishing gear for those stationed on cutters for up to six months at a time, and more.
- Brought large-scale area projects to Coast Guard communities in seven locations, including a recreation facility in remote Sault Sainte Marie that will provide a space for 600 active duty, reserve and civilian Coast Guard members and their families to meet and enjoy activities, and upgrades to other family housing facilities to improve a pool, provide playground equipment, and refurbish a bowling alley on a Coast Guard base.
- Assisted units and families of those lost or critically injured in the line of duty, which included hosting memorial services at the bases, arranging travel for junior crewmembers attending funerals, and assisting the Coast Guard with support to families so they could be at the memorials, or near an injured loved one. Our support to both is instrumental in honoring dedicated service and sacrifice, and support those left behind.
- Welcomed more than 4,000 guests at special events and tributes all across the country, to honor those who serve. We hosted members of the service at these events, showing those in attendance the value and appreciation of a grateful public. Central to the Coast Guard Foundation's mission is raising awareness for the heroism, bravery and mission excellence of those who wear the uniform.

IN 2015, WE ARE CONTINUING OUR MISSION, AND THE FOUNDATION HAS...

- Awarded 86 new scholarships valued at more than \$400,000 to children of enlisted Coast Guard members, including two Fallen Heroes Scholarships to children of Coast Guard heroes died in the line of duty. Our two "Sara Statts" scholars will have 100% of their college expenses covered by the Coast Guard Foundation.
- Established the Robert J. Flynn Pathway to Achievement Fund to support recruitment and retention efforts at the Academy, which has raised more than \$388,000 and made an initial gift of \$50,000 to the Academy.
- Distributed more than \$388,000 in scholarships and grants for active duty enlisted who are pursuing college or advanced degrees while serving in the Coast Guard.
- Provided more than \$500,000 in morale, wellness and recreation support through our Shipmate Fund program, including special capital projects in Sault Ste. Marie, Michigan, Ft. Lauderdale and Clearwater, Florida.
- Awarded \$60,000 in grants and scholarships for spouses of active duty enlisted Coast Guard members, our largest-single award-year yet.
- Recognized Coast Guard Day, the service's birthday, on August 4, with 180 remote units, by funding \$65,000 for their celebrations with family and community members.
- Supported the future officer corps at the Coast Guard Academy with \$320,000 in support for academic enrichment, athletics, activities and waterfront programs.
- Sponsored Coast Guard Foundation Run to Remember events around the country, including the first Climb to Remember: two Coast Guard rescue swimmers climbed Denali in Alaska to honor Coast Guard fallen heroes.

GUARDIAN'S CIRCLE HONOR ROLL 2014

Guardian's Circle members respond to an invitation to join our most dedicated supporters, who help us provide essential services to Coast Guard members. We thank you for your support in 2014.
