

COAST GUARD FOUNDATION 2016

ANNUAL REPORT

MESSAGE FROM LEADERSHIP

The Coast Guard Foundation's supporters, staff, and board members' dedication enhance the lives of Coast Guard members and their families every year. The Coast Guard is a family, and with your support, the Coast Guard Foundation stands behind this brave service every day.

In November it was announced that I was to be given the honor of leading this great organization following the retirement of Anne B. Brengle after her nine years of devoted leadership. I joined the Foundation in 2013 as the primary fundraiser and relationship manager for our programs and investors in the northeast of the United States, and throughout this time I have been inspired by the devotion and commitment of the many Coast Guard families that I've met.

In October, Anne received the Coast Guard Distinguished Public Service Award for her outstanding contributions to the service. As the highest commendation bestowed to a civilian by the Coast Guard, this is truly a fitting award for her years of service to the Coast Guard community.

I am so grateful for this opportunity and wish to thank you, our dedicated partners, for your support of the men and women of the United States Coast Guard and their families.

Susan P. Ludwig
President

COAST GUARD FOUNDATION 2016 HIGHLIGHTS

- **Awarded 128 scholarships, a record number**, combining with multi-year scholarship recipients and three Fallen Heroes Scholars to total 163 Coast Guard children who received over \$575,000 in funding.
- **Distributed \$75,000 to Coast Guard members affected by the disastrous flooding in Louisiana.** The flooding impacted Coast Guard members from throughout the state with some losing everything, with others suffering substantial losses due to the 1000-year flood reaching areas not required to carry flood insurance. Our support was able to reach members impacted within days.
- **Provided \$680,000 in support through the Shipmate Fund** to Coast Guard members stationed around the country. The requests of morale and recreation equipment to enjoy family time, and technology to help with on-the-job learning come directly from Coast Guard members and provides these items to keep them ready for their demanding jobs.
- **Established our first needs-based scholarship fund**, named in memory of Admiral Robert E. Kramek, who passed away in October, in honor of his service as the 20th Commandant of the Coast Guard.
- **Contributed \$80,000 for memorial services, travel arrangements, and support** to the family members and shipmates of active duty Coast Guard members to honor the lives of the fallen.
- **Sponsored Coast Guard Foundation Run to Remember events** around the country to honor those who have made the ultimate sacrifice in service to our country. This year, participants took part in road races, memorial walks, a 4,000-mile coast-to-coast bike ride, and more, to raise \$50,000 for the Fallen Heroes Fund.
- **Celebrated the birthday of the Coast Guard and 100 years of Coast Guard Aviation** by funding picnics, community gatherings, and celebrations at 26 Coast Guard Air Station across the country.

HOW WE SUPPORT THE COAST GUARD

COAST GUARD FOUNDATION 2016

/ SUPPORT FOR THE COAST GUARD ACADEMY

The Coast Guard Foundation's funding for the Academy supports both the academic and athletic enrichment for the corp of cadets, ensuring the Coast Guard can continue its history of recruiting and retaining strong leaders. In 2016, our long-standing support of the Academy's Coastal Sail Training Program continued with a boat donation to

The 42-foot *Integrity*, a gift from supporter W. Hall Wendel, Jr.

the program which provides cadets the opportunity to apply hands-on training to navigation, sailing, seamanship, and small boat operation skills learned in the classroom. Long-time Foundation supporter W. Hall Wendel, Jr. donated his 42-foot Hinckley Sou'wester *Integrity* to the program, in memory of his friend and mentor Hon. G. William Miller, a founding director of the Foundation. The Coast Guard Foundation Hedrick Fellow program's history of bringing world-renowned political, military and industry leaders to the Academy continued this year with then-Director of National Intelligence James R. Clapper serving as the 21st Hedrick Fellow. Mr Clapper hosted individual classes with cadets and delivered an address to the Academy cadets providing an opportunity for the service's future leaders to learn from the experiences of one of America's most distinguished leaders.

/ SUPPORT FOR CUTTER COMMISSIONINGS

Five new fast-response cutters were commissioned into the service in 2016 as part of the Coast Guard's ongoing fleet modernization effort. The Coast Guard Foundation welcomed cutters *Joseph Napier*, *Winslow W. Griesser*, *Donald Horsley*, and *Joseph Tezanos*, all homeported in Puerto Rico, and *Rollin Fritch*, homeported in Cape May. At the vessels' commissionings each crew received a gift of \$5,000 to establish the cutter's morale, wellness, and recreation funds. All new fast-response cutters are named after Coast Guard enlisted heroes and are crucial to the Coast Guard's mission of curbing illegal maritime activity including counter-drug patrols, conducting search and rescue operations, and more.

A gift for the commissioning of Coast Guard Cutter *Donald Horsley* is presented to Commanding Officer LT Colleen Denny by Foundation Trustee Robert Montgomery.

/ COAST GUARD AUXILIARY SUPPORT

Annually, the Coast Guard Foundation supports members of the Coast Guard Auxiliary at local flotillas around the country. The Auxiliary has more than 30,000 dedicated members who volunteer over two million hours of their time every year to teach boating safety and maritime education. In return, we are proud to support their efforts with funds to assist their boating safety seminars, and equipment to support their environmental and vessel inspection operations.

SHIPMATE FUND SUPPORT

The Coast Guard Foundation is dedicated to providing Coast Guard members with critical services to promote the education, morale, and recreation needs of those stationed around the world onshore and at sea. Through the Shipmate Fund, service members identify their needs to us so we may have the most impact where they live and serve. The Shipmate Fund provided \$680,000 in support this year, enhancing the lives of Coast Guard members throughout the service from those on board cutters and at small boat stations, to sectors, air stations, and more.

COAST GUARD SECTOR ST. PETERSBURG UPGRADES WINDJAMMER COMMUNITY CENTER

Sector St. Petersburg's Shipmate Fund request for 2016 was to repair and upgrade their Windjammer Community Center. With federal funding limited, the Shipmate Fund and local supporters raised the funds for the center, which has been used by Coast Guard families for over 45 years and will continue to host family events, promotions, and retirements well into the future. Coast Guard personnel from Sector St. Petersburg joined Foundation representatives at the dedication of the center: From left, BMC Joseph Slater; Onix Franceschini; CDR Ivan Meneses; Brian Overcast, Coast Guard Foundation's Regional Director of Philanthropy; Capt Gregory Case; Foundation board member David Dyer and his wife Harriet Dyer; CAPT Holly Najarian; CDR Randy Brown; BMCS Eamon McCormack.

COAST GUARD STATION CHATHAM'S NEW CREW LOUNGE IS COMPLETED

The Sebastian family, Coast Guard members from Station Chatham, Jenny and Roger Ludwig, and Susan P. Ludwig attended the opening of the station's new crew lounge in July. Jack Sebastian saw the needs in Station Chatham as an opportunity to honor his father, who served in the Coast Guard in the 1940s, and show his support for the service which meant so much to his father. The crew lounge was relocated to a newly painted and carpeted second floor space which now contains new furniture, electronics, foosball table, darts, and computer station.

// STATION SAND KEY RECEIVES NEW GYM EQUIPMENT

BOSN3 Larry L. Zeruth, Commanding Officer of Station Sand Key presents a thank you letter from the station to Brian Overcast, Coast Guard Foundation Regional Director of Philanthropy. "Your kindness and support of the personnel attached to Station Sand Key directly affects the unit's morale and effectiveness, and ultimately our service to the public. The work you do for all the Coast Guard family is vital and immensely appreciated by the crew of Station Sand Key!"

// COAST GUARD FAMILIES RECEIVE AID FOR PROPERTY LOST DURING FLOODING

Disastrous flooding in Louisiana impacted over 40,000 homes in August, including Coast Guard members who were part of the rescue efforts. In response, the Coast Guard Foundation responded with \$75,000 in aid to help these families, many of whom lost almost everything they owned. At left, Petty Officer Justin Goff with the check he received from the Chief Petty Officers Association, which distributed the funds on behalf of the Coast Guard Foundation.

// STATION ERIE RECEIVES \$10,000 TO UPDATE THEIR GYM

Senior Chief Petty Officer M.T. Jordan, Officer in Charge, Station Erie, thanked the Foundation for its support: "With your gift, Station Erie has been able to completely renovate and upgrade the unit gym with new state of the art equipment. Thanks to the generosity of the Foundation, Station Erie was able to execute a project to upgrade current outdated and deteriorating gym equipment and make additions of more versatile, full body exercise equipment."

// COAST GUARD CUTTER MARIA BRAY RECEIVES FISHING GEAR

A grateful BMCS Christopher Stover, Executive Petty Officer of the cutter, wrote: "On behalf of the members of Coast Guard Cutter *Maria Bray* located in Jacksonville, Florida, I would like to thank you for donating the funds making it possible for us to acquire multiple fishing items that will greatly contribute to the morale of the unit. Once again, thank you!"

SUPPORT FOR EDUCATION

COAST GUARD FOUNDATION 2016

LEFT: Coast Guard Foundation Scholarship recipient Charlotte Tallman. **CENTER:** Coast Guard Foundation Scholarship recipient Steven Hammerton and his father DCC Steven V. Hammerton. **RIGHT:** Coast Guard Foundation Navy Federal Credit Union Scholarship recipient Ron Latronico.

I am so honored to have been selected as a 2016 Coast Guard Foundation scholar and extremely grateful for the opportunity to use this scholarship to further my education,” wrote Katherine Milbrandt, who is studying Aerospace Engineering, in a letter to the Coast Guard Foundation. “Thanks again for your dedication to helping students reach our dreams.”

Declarations such as this from our scholars highlight the tremendous impact our scholarship program has on Coast Guard families every year. This annual education investment in our Coast Guard families is one of the many ways we thank families for their service to our nation and make their dream of college and career a reality. “It is an especially great honor to receive this award from an organization that supports the Coast Guard so much,” wrote 2016 Coast Guard Foundation scholar and theater studies major Madeline Hayes. “This scholarship is such a huge blessing to my family and myself by alleviating such a large financial burden. I am so honored to be selected.”

In 2016 we awarded 128 new scholarships. Combined with multi-year awardees and three Fallen Heroes Scholars,

the Coast Guard Foundation supported 163 students, totaling over \$575,000 in scholarship aid.

These young men and women have given back to the community in the form of thousands of volunteer hours

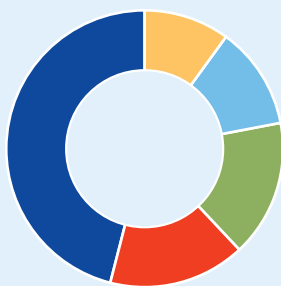

spent working at food banks, animals shelters and veteran hospitals, assisting in their local communities, and volunteering abroad in Guatemala, Jamaica, and Mexico, helping those in need.

We are humbled to support these remarkable young men and women as they pursue their dreams of higher education. As well as exceptionally representing the Coast Guard in their communities with their voluntary engagements, our scholars include four class valedictorians and two salutatorians, and 28 had a high school GPA of 4.0 or higher.

The Foundation’s education support also extends to Coast Guard spouses and Reservists. We are proud our Lisa Cook Reed Spouse Grant program can

make the pursuit of higher education and training accessible for spouses like Jamie Covarrubias. Jamie is pursuing an Early Childhood Education degree at Cleveland State University. Her goal is to earn her doctorate in education

One of this year's Enlisted Reserve Scholars is Jason Genao, a New York City firefighter who joined Coast Guard Station New York Reserves after retiring from the Coast Guard in 2010. He is studying nursing at Saint Mary's College. Overall this

year, the Lisa Cook Reed Spouse Education Grant and our Enlisted Coast Guard Reserve Scholarship provided \$58,000 in education support with items not covered by the benefits provided through the Coast Guard and the G.I. Bill, such as lab fees and textbooks.

HONORING COAST GUARD HEROES

COAST GUARD FOUNDATION 2016

The Coast Guard Foundation is honored to salute the brave men and women of the United States Coast Guard at tribute events held around the country each year. Here, CAPT Robert Warren of Sector San Juan addresses the dinner attendees at the Tribute to the Seventh Coast Guard District. On stage with him are members of Sector San Juan, Commander of the Coast Guard Atlantic Area, VADM Karl L. Schultz, and Coast Guard Foundation President Anne Brengle.

In 2016, Coast Guard Foundation tribute events were held around the country to highlight and honor those who serve in the United States Coast Guard. For the first time, Houston hosted a tribute dinner, joining our tributes held in New Orleans, Honolulu, Washington D.C., Anchorage, San Francisco, New York City and Fort Lauderdale.

NEW ORLEANS, MARCH 2016 ▶ CAPT Joe Snowden addressed attendees at the Tribute to the Eighth Coast Guard District in New Orleans, emphasizing Sector Mobile's bravery and teamwork.

In addition to the recognition dinners, the [Coast Guard Foundation golf tournaments](#) in Washington D.C. and New York benefited the Foundation scholarship program, and this year's [Run to Remember](#) movement held over 30 events around the country. One retired Coast Guardsman cycled 4,000 miles across the country to honor the fallen and raise money for the Foundation's Fallen Heroes Fund.

Two crews from Air Station Houston were recognized for their heroism at the first event of the year, the [Tribute to the Eighth Coast Guard District](#), which was held in New Orleans in March. The crews CG-6520 and CG-6603 heroically saved a family of seven and preserved over \$80,000 worth of property during a search-and-rescue operation, following a storm that swept up a family out on a fishing excursion.

NEW ORLEANS, MARCH 2016 ► Coast Guard Sector Mobile was recognized at the Tribute to the Eighth District for their heroic efforts when a tropical storm hit Mobile Bay and the Mississippi Sound in April 2015. Representing the sector, CAPT Joe Snowden, CDR Christopher Cederholm, LTJG Phillip McNamara, OSCS Dan Schlangen, OS1 Chadwick Jackson, OS2 Jason Bullis, are pictured here with Foundation Chairman Will Jenkins, Eighth Coast Guard District Commander RADM David R. Callahan, Foundation President Anne Brengle, Foundation board member Otto Candies Jr., Coast Guard Vice Commandant ADM Charles D. Michel and Coast Guard Commandant ADM Paul F. Zukunft.

HONOLULU, MARCH 2016 ► RADM Vincent B. Atkins addressed attendees at the Tribute to the Fourteenth District. As Commander of the District, he oversees an area spanning over 12.2 million square miles.

HOUSTON, MAY 2016 ► In July 2015, Coast Guard Air Station Houston rescued a family of seven on a fishing trip when their boat began taking on water during a severe thunderstorm. We honored these helicopter crews at the inaugural Tribute to the Coast Guard in Houston, presenting them with the Coast Guard Foundation Award for their heroism. They are pictured with RADM David R. Callahan, former Texas Governor Rick Perry and ADM Paul F. Zukunft.

Later in March, the Coast Guard Foundation and supporters recognized heroism throughout the Pacific with the [Tribute to the Fourteenth Coast Guard District](#). The event took place in Honolulu and included addresses by RADM Vincent B. Atkins, Commander of the Fourteenth Coast Guard District, and ADM Paul F. Zukunft, Commandant of the Coast Guard.

The inaugural [Tribute to the U.S. Coast Guard in Houston](#) took place in May. The evening honored two crews from Air Station Houston for their heroism and dedication in saving one life, assisting six others and preserving over \$80,000 worth of property during a search and rescue operation in July 2015. The Guardian Award, our premiere national recognition award for significant support and commitment to the Coast Guard Foundation, was presented to ExxonMobil, with Chairman and CEO Rex W. Tillerson accepting the award.

WASHINGTON, DC, JUNE 2016 ▶ To celebrate 100 years of Coast Guard aviation, WWII Coast Guard veteran Sergei Sikorsky, son of the inventor of the practical helicopter, was the evening's honored guest. CNN anchor and correspondent Kyra Phillips served as emcee.

In June, the [Tribute to the Coast Guard in Our Nation's Capital](#) celebrated 100 years of Coast Guard Aviation. The event's honored guest was Sergei Sikorsky, World War II Coast Guard veteran and son of the inventor of the practical helicopter, Igor Sikorsky. Mr. Sikorsky served in a Coast Guard helicopter test and development squadron as a helicopter mechanic. He was on the front lines of the development of the helicopter rescue hoist and participated in hoist development testing and demonstration. He also participated in some of the first search and rescue missions.

The [Alaska Awards Dinner](#) in Anchorage was held in August, where the crew of the Coast Guard Cutter *Sycamore* was honored for their outstanding record of professional accomplishments spanning multiple Coast Guard missions. *Sycamore* reinvigorated the Coast Guard's law enforcement presence in Prince William Sound by completing 46 at-sea boardings and 43 commercial fishing vessel safety examinations. Always ready for the call, *Sycamore* responded to five search and rescue cases and during one case, the rescuers courageously contended with severe weather conditions leading a multi-unit response to search for a downed aircraft.

In September, the Coast Guard Foundation proudly honored those serving in the Coast Guard's Pacific Area at the [Pacific Area Awards Dinner](#) in San Francisco. The evening's standout award for heroism was the presentation to AST2 Darren Harrity, who received the Admiral Chester R. Bender Award. Petty Officer Harrity, a rescue swimmer stationed at North Bend, Oregon, truly defines the word hero. Harrity was part of a helicopter crew that launched from Oregon's Coast Guard Sector

ANCHORAGE, AUGUST 2016 ▶ The Alaska Awards Dinner recognized the crew of Coast Guard Cutter *Sycamore*, which reinvigorated the Coast Guard's law enforcement presence in the area. Pictured with the crew and their spouses is Commandant ADM Paul F. Zukunft.

SAN FRANCISCO, SEPTEMBER 2016 ▶ Petty Officer Darren Harrity, who received the Coast Guard Medal, with his fiancée Chelsey Larsen and ADM Charles D. Michel.

NEW YORK CITY, OCTOBER 2016 ▶ The crew of Coast Guard Cutter *Bertholf* with Vice Commandant of the Coast Guard ADM Charles D. Michel and Commandant ADM Paul F. Zukunft. The crew received the Foundation's National Award for Heroism for their work interdicting 19 drug-smuggling vessels.

North Bend, flying through thick fog and strong winds, answering a mayday call from the commercial fishing vessel which had run aground 60 miles north of Cape Blanco. After observing the vessel crushed against the rocks and the four fishermen in a life raft clinging to the bow, the aircrew deployed Harrity. Due to severe weather the crew were unable to hoist the fishermen to safety, and Harrity chose to individually tow each survivor to the shore — swimming over one mile in extreme conditions.

At our **Annual Salute to the United States Coast Guard** in New York City the Coast Guard Cutter *Bertholf* received the Foundation's National Award for Heroism with 12 members of *Bertholf* representing the crew, who were recognized for their work interdicting 19 drug-smuggling vessels in some of the most prolific and inherently dangerous counter-drug pursuits in Coast Guard history. From May 2015 to April 2016, *Bertholf* and her detachments completed two deployments to the Eastern Pacific, totaling 213 days away from homeport. During these deployments, the team detained 58 suspected narco-traffickers and prevented over 50,000 lbs of narcotics — with a street value of more than \$800 million — from reaching the United States.

The final event of the year, the **Tribute to the Seventh Coast Guard District**, was held in Fort Lauderdale and celebrated the achievements of those serving in the Coast Guard district that is responsible for covering a 1.7 million square-mile area. Members from Coast Guard Sector San Juan received the Coast Guard Foundation Award for rescuing 511 people aboard the ferry vessel *Caribbean Fantasy* after its engine caught fire. The events that unfolded during that rescue mark the largest mass rescue operation in U.S. waters in 60 years, with Sector San Juan leading the rescue with port and interagency partners. Over the course of several hours, men, women and children embarked life rafts and made the harrowing decent down the vessel's steep marine evacuation slide to be met by Coast Guard members who pulled them to safety.

The Coast Guard Foundation is proud to honor Coast Guard heroes at these annual events, and thanks its sponsors for their continued support.

NEW YORK CITY, OCTOBER 2016 ▶ Commanding Officer of Coast Guard Cutter *Bertholf* CAPT Laura Collins speaking with ADM Charles D. Michel and ADM Paul F. Zukunft.

FORT LAUDERDALE, NOVEMBER 2016 ▶ CAPT Robert Warren from Coast Guard Sector San Juan with RADM Scott A. Buschman, Commander of the Seventh District, and Anne Brengle.
