

COAST GUARD FOUNDATION 2015

# ANNUAL REPORT

## COAST GUARD FOUNDATION 2015 HIGHLIGHTS ▶

- **Awarded 86 new scholarships** valued at more than \$400,000 to children of enlisted Coast Guard members. This includes three Fallen Heroes Scholarships to children of Coast Guard heroes who have died in the line of duty. Our three "Sara Statts" scholars will have 100 percent of their college expenses covered by the Coast Guard Foundation.
- **Distributed more than \$388,000 in scholarships and grants** for active duty enlisted Coast Guard members who are pursuing college or advanced degrees while serving in the Coast Guard.
- **Awarded \$60,000 in grants and scholarships** for spouses of active duty enlisted Coast Guard members, our largest single award-year yet.
- **Provided more than \$500,000 in morale, wellness and recreation support** through our Shipmate Fund program, including special capital projects in Sault Ste. Marie, Michigan and Ft. Lauderdale and Clearwater, Florida.
- **Established the Robert J. Flynn Pathway to Achievement Fund** to support recruitment and retention efforts at the United States Coast Guard Academy. This new endowment fund has raised more than \$388,000 to date and made an initial gift of \$50,000 to the Coast Guard Academy.
- **Supported the future officer corps** at the Coast Guard Academy with \$320,000 in support for academic enrichment, athletics, cadet activities and waterfront programming.
- **Celebrated Coast Guard Day**, the birthday of the United States Coast Guard, with 180 remote units on August 4, by funding their picnics and gatherings with families and community members. The total support for these celebrations was more than \$65,000.
- **Sponsored Coast Guard Foundation Run to Remember events** around the country, including the first Climb to Remember where two Coast Guard rescue swimmers climbed Denali in Alaska to honor Coast Guard fallen heroes.

## MESSAGE FROM LEADERSHIP

I invite you to take a look at the stories and photos on these pages — you'll see an amazing group of people who have dedicated their lives to serving others, caring for our environment, ensuring our safety on the water, protecting our waterways and ports, stopping dangerous drugs from making their way into our neighborhoods, and so much more. You'll also learn about some of our generous supporters who have made significant and impactful gifts that make a real difference for Coast Guard members and their families.

I'm hard-pressed to say what has made the biggest impression on me this year at the Coast Guard Foundation. Our chairman of the board, Bob Flynn, passed away in February of 2015 and in his memory, we established a fund to support the recruitment and retention of underserved populations at the United States Coast Guard Academy, an initiative that was near and dear to his heart.

**"...we can all take pride in being part of shaping the lives of so many Coast Guard families."**

I do know that we take great pride in seeing Coast Guard children succeed and excel in college because of your support; helping families through the terrible tragedy of the loss of a Coast Guard member, and opening a new community center in one of the most remote places in our country that is a critical post for the Coast Guard. It's all important to the men and women of the Coast Guard, and it's important to the Coast Guard Foundation and our generous supporters who recognize the importance of what they do.

We're proud to provide opportunities which many wouldn't otherwise be able to attain without our support, and we can all take pride in being part of shaping the lives of so many Coast Guard families. Thank you for your continued support of the Coast Guard Foundation and I hope as you read through the many accomplishments of this past year you take pride in knowing your commitment made these achievements possible.

With Gratitude,

Anne B. Brengle  
President

# SUPPORT FOR EDUCATION

COAST GUARD FOUNDATION 2015

**LEFT:** 2015 Coast Guard Foundation scholarship recipient Michael Werner. **CENTER:** 2015 Coast Guard Foundation scholarship recipient Casey Kalita. **RIGHT:** Fallen Heroes Scholar Megan McKenzie.

Education is a core component of the Foundation's mission and our dedication to the men and women of the United States Coast Guard. In 2015, our support for education programs topped \$848,000.

**Investing in Coast Guard Families:** Our commitment to education helps make the dream of a college education a reality for many Coast Guard kids every year. Through our education programs, we awarded 86 new scholarships valued at more than \$400,000 to children of enlisted Coast Guard members this year.

"Your financial generosity gives me an advantage in achieving my dreams and takes off much of the stress that accompanies college tuition and expenses. I know that one day my education will allow me to give back to the community as you have given to me," said Jenna Carey, who is studying at the University of Delaware.

Miranda Saporito, who is studying at the University of South Florida, said, "Thank you for your generosity which will allow me to concentrate on my education... It means a lot to my family to have received this honorable scholarship."

**Supporting the Education Goals of Enlisted Coast Guard Members and their Spouses:** The Foundation provided more than \$388,000 in grants for active duty enlisted members who are pursuing college or advanced degrees and certifications while serving our country. This was also

a record-breaking year for our Coast Guard spouse support, providing \$60,000 for those enrolled in college, certification, and training programs. These enlisted grants are used to pay for expenses not covered by the benefits provided through the Coast Guard and the G.I. Bill, such as lab fees and textbooks.

**Honoring our Coast Guard Fallen Heroes:** The Coast Guard Foundation's Fallen Heroes Scholarship Fund ensures that the children of the service's fallen are not denied the opportunity to attend college. We make sure that 100 percent of their college expenses are covered, so they can focus on their studies to the best of their abilities.

In 2015, there were three 'Sara Statts' Fallen Heroes scholars who are now attending college, safe in the knowledge that they will graduate debt-free. "To receive any amount of financial aid is beneficial, but being debt free is a blessing. In return it certainly motivates me to work hard and do well," said Adriana Nelson.

Megan McKenzie wrote to us, "Words cannot express how much this scholarship means to me. Thank you for giving me a chance to make my dreams come true." And Amy Belisle said, "It just wasn't in my budget to pursue further education at this point in my life. Though now, knowing that I can further my education, I feel more accomplished... it's amazing."

## WHO CAN YOU BE?

*We asked our scholarship recipients to share their professional and personal goals with us; here are a few of their responses. We are proud to invest in their education to help make their dreams a reality.*

# SHIPMATE FUND AND CAPITAL PROJECTS

COAST GUARD FOUNDATION 2015

The formal ribbon-cutting ceremony for the Captain Jimmie H. Hobaugh Coast Guard Community Center in Sault Ste. Marie, July 2015.

The Coast Guard Foundation plays a critical role in helping Coast Guard members remain *Always Ready* through a host of central programs that address education, morale and recreation needs throughout the service. We provided more than \$500,000 in support through our Shipmate Fund this year, which included the opening of capital projects in Sault Ste. Marie, Michigan and in Fort Lauderdale and Clearwater, Florida. More than 160 units, bases, cutters and sectors have new resources on hand to promote their well-being, fitness and community resources. In addition, we supported 182 small units and stations with gifts to help celebrate the Coast Guard's 225th birthday on August 4, 2015.

The Shipmate Fund allows units around the country to identify their needs so we may direct the funds to make the maximum impact for service members.

**What type of equipment does the Coast Guard Foundation invest in through the Shipmate Fund?** Coast Guard members based in the colder climates of Alaska and the midwest frequently request winter-weather gear and ski equipment. Units in Hawaii and the south request mountain bikes, paddle boards and kayaks. The most requested item across the country remains exercise and training equipment for use on bases and cutters.

These smaller, more personalized projects make a huge impact for service members' morale, especially those stationed in remote areas or those on board cutters for an extended period of time. This support also goes a long way to ensure that the Coast Guard continues to lead the military services in retention by enhancing the professional and personal lives of our service members and their families.

In honor of the Coast Guard's 225th birthday and "Connecticut Coast Guard Summer," we presented morale gifts to Coast Guard Station New London and Station New Haven.

**LEFT:** A new playground for families at Coast Guard Air Station Houston was built in April. **CENTER:** New bicycles for Coast Guard Station Wachapreague were presented by Coast Guard Foundation directors VADM Sally Brice-O'Hara, USCG (Ret.) and Judith Roos. **RIGHT:** Foundation Trustee Joseph Phair hosted a morale and community picnic for Coast Guard Station San Francisco through the Yacht Clubs Who Care outreach program.

And four years after the Coast Guard Foundation led the charge to build the Captain Jimmie H. Hobaugh Coast Guard Community Center, its opening ceremony took place in July in Sault Ste. Marie, Michigan. The center will play an important role in bringing together Coast Guard families based in this remote area in the Upper Peninsula. Funding was made available thanks to the generosity of local and national supporters, allowing the Coast Guard Foundation to invest \$400,000 in the \$650,000 project, with the remaining funding

provided by the Coast Guard. The center operates as a facility for families stationed at Sault Ste. Marie and features a work-out room, an activities room, a kitchen and an outdoor deck.

In April, the Foundation also provided support for Coast Guard Air Station Houston to build a playground for families to celebrate Month of the Military Child.

Over the summer, a new crew lounge featuring furniture, electronics, games and other morale items was built for Coast Guard Station Chatham in Cape Cod, Massachusetts.

**STATION FORT PIERCE ADOPTED BY THE DYERS:** In July, Coast Guard Station Fort Pierce in Florida hosted the Dyer family, known locally for their car dealerships across the region, to present them with a gift and tour of Station Fort Pierce. The Dyer family "adopted" the station by working with the Coast Guard Foundation to identify and provide many morale support items for the Coast Guard members stationed there over the last several years. "We appreciate everything the Coast Guard does for our community and our safety," said Will Dyer, co-owner at Dyer Auto Group. "Now that we live and work near a Coast Guard station, we want to make sure they enjoy the community and waterways as much as we do." At the meeting BMC Josh Meyer, BOSN4 Randal L. Ryan and other members of the Coast Guard stationed at Fort Pierce presented the Dyer family with a life ring signed with messages of thanks and appreciation for their support.

# SUPPORT FOR THE COAST GUARD ACADEMY

COAST GUARD FOUNDATION 2015

An inaugural gift from the Robert J. Flynn Pathway to Achievement Fund was presented to Coast Guard Academy superintendent RADM James Rendon, USCG and Dr. Aram deKoven, Chief Diversity Officer, by members of Bob Flynn's family and Coast Guard Foundation staff members Susan Ludwig and Bradley Sisley at the Academy's home opener football game in the fall.

Bradley Sisley and Anne Brengle with Coast Guard Foundation Hedrick Fellow Thomas Friedman, Admiral Thad Allen, USCG (Ret.) and then-Superintendent VADM Sandra Stosz, USCG.

Support for the United States Coast Guard Academy is a significant component of the Foundation's work to support the United States Coast Guard. For the second consecutive year the Academy earned the number one spot in the 'Regional Colleges North' category of the *U.S. News & World Report's* 'Best Colleges' publication, further extending its reputation as one of the best undergraduate institutions in the country. As a top-tier education, military and leadership development institution, the Academy and its cadets represent the future of the Coast Guard's officer corp. The Foundation invests in athletic and academic enrichment programs, championing important cadet activities during each school year.

An example of this is the [Coast Guard Foundation Hedrick Fellow](#), a longstanding lecture series which brings world-renowned political, military and industry leaders to the Academy to share their knowledge and insight with cadets, and provides an opportunity for the Coast Guard's future officers to learn from the experiences of America's

most distinguished leaders. This year, *New York Times* journalist Thomas Friedman addressed the cadets on the unique challenges they face in an ever-changing 21st century.

The Foundation established the **Robert J. Flynn Pathway to Achievement Fund** following the passing of the late Coast Guard Foundation chairman in February of this year. Flynn graduated from the Academy in 1974, and to honor his support for the institution, a significant fund was established to make a long-term impact at the Academy; in support of the work, the Foundation made an initial gift of \$50,000 for its recruitment and retention efforts, a cause close to Flynn's heart.

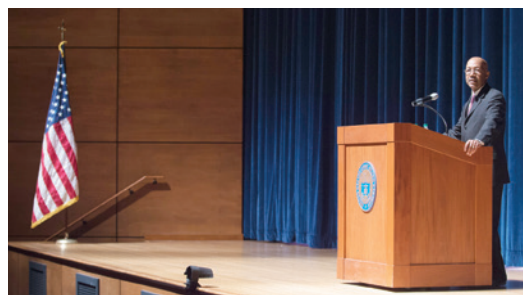

Commandar Marcus Canady received the VADM Manson Brown Genesis Award from Admiral Brown at the 2015 Eclipse Awards.

promote mutual respect and advance cultural initiatives within the corps of cadets, centered on the purpose of improving individual and organizational performance.

## ACADEMY ECLIPSE WEEK

The United States Coast Guard Academy hosted its **40th Annual Eclipse Week** at the academy campus in April. Eclipse Week provides upcoming Coast Guard leaders an opportunity to gain insight from a diverse group of officers with different backgrounds, and was made possible thanks to support from the Coast Guard Foundation. *Strength in Diversity, Empowerment Through Inclusion* was this year's theme, with guest speakers including ADM Paul Zukunft, Commandant of the Coast Guard, EPSN broadcast journalist Kate Fagan, and others. Eclipse Week is hosted by cadet organizations that provide a support network to increase cultural awareness,

## COAST GUARD AUXILIARY

The Coast Guard Foundation partners with the Coast Guard Auxiliary to benefit local flotillas throughout the country. The organization has more than 30,000 members who volunteer more than two million hours of their time annually and conduct vessel safety checks, harbor patrols and boating safety classes. Each year the Foundation is honored to receive support from the Auxiliary and its members with our Run to Remember events and more. This year John Bilas, Steve White and Bridget Benjamin from the Auxiliary's District 1 Southern Region took on the Olympic-distance Panasonic New York City Triathlon and the Hartford Marathon in Connecticut to raise funds for the Foundation. The Foundation also offers relief services to Auxiliary members and their families. This year two Auxiliary members were critically injured when their plane crashed while on Coast Guard business. The Foundation provided travel assistance to the families so they could be near their loved ones and also assisted with follow-on support for both families.

Our annual tribute events offer us an opportunity to highlight and award the incredible bravery on display in the United States Coast Guard. This year these events took place in New Orleans, Honolulu, Seattle, Washington D.C., New York City, San Francisco and Fort Lauderdale.

The Foundation's golf tournaments and Run to Remember events took place around the country, and this year two Coast Guard rescue swimmers completed the first Climb to Remember, scaling the highest mountain peak in North America, Denali, to honor Coast Guard fallen heroes.

The first event of the year, the [Tribute to the Eighth Coast Guard District](#), which was held in New Orleans in March, honored two Coast Guard crews for their heroism. A boat crew from Coast Guard Station Pensacola was recognized for their response to a law enforcement call where they provided lifesaving first aid to a man who had been attacked and stabbed on his own boat. The second crew, from Air Station Houston, was awarded for saving the lives of two sailors in peril in the Gulf of Mexico after their sailboat had shipwrecked on a jetty.

In April, heroism in the Pacific was honored with events in Hawaii and California. At the **Tribute to the Fourteenth Coast Guard District**, Coast Guard mission excellence from throughout the Pacific was honored. The event was chaired by Matthew J. Cox, chairman and CEO of Matson, Inc. and included an address by VADM Peter Neffenger, Vice Commandant and RADM Cari B. Thomas, Commander of the Fourteenth Coast Guard District.

Our **Pacific Area Awards Dinner** in San Francisco featured three awards. SK3 Noel Cordero, a storekeeper stationed aboard Coast Guard Cutter *Alex Haley*, was awarded the Admiral James S. Gracey Award for exemplifying professionalism, devotion to duty, and excellence of the service. The crew of *Alex Haley* also earned the Admiral John B. Hayes

At our annual **Salute to the United States Coast Guard** in New York City, held in October, four members of the Coast Guard Cutter *Stratton* represented the crew, who were recognized for the Cutter's remarkable billion dollar drug bust earlier this year. Also honored was a Station Los Angeles–Long Beach boat crew for their heroism in saving a mariner lost at sea who had been treading water, without a life preserver, for over seven hours. In attendance was 'Miracle on the Hudson' Captain Chesley "Sully" Sullenberger, who was the evening's special guest speaker.

Our **Tribute to the Seventh Coast Guard District** took place in Fort Lauderdale in November, with a six-man crew from Air Station Miami being recognized for their extraordinary work over the course of 14 days. The crew was responsible for interdicting three go-fast vessels carrying a total \$86 million of cocaine and preventing two migrant ventures with 71 illegal migrants, and played an integral role in the arrest of 16 suspected criminals.

Our honorees often shy away from the limelight and say they were just doing their job, but our event program grants an opportunity to recognize their integral work to our country, offer a message of gratitude for their service, and let them know they truly are our heroes.

# RELIEF FOR COAST GUARD FAMILIES

COAST GUARD FOUNDATION 2015

The Coast Guard Foundation's Fallen Heroes Fund is there to provide support to families and crewmembers impacted by the loss of a loved one, working with the Coast Guard to ensure their needs are covered.

In 2015, the Coast Guard Foundation provided relief support to fifteen Coast Guard families who experienced the loss of an active-duty member and critical injuries. Through the Fallen Heroes Fund we provided assistance to the immediate families of those impacted, covered the expenses of crew members who wished to travel to funeral services, and provided funds so that appropriate services to honor their crewmembers could be held.

Through these relief services the Foundation is always ready to provide care and comfort for families and Coast Guard members.

This support helps families grieve without having to worry about financial burdens during these difficult, heart-wrenching situations. A life-changing injury or loss has an impact which cannot be quantified, but we are proud to be there to provide an emotional safety net for Coast Guard families during times of need.

## THE TREVOR MOORE SEARCH AND RESCUE FUND

In June 2015, U.S. Olympic sailor Trevor Moore, a competitor in the 2012 London Games, went missing in Biscayne Bay, off the coast of Miami. Hundreds of volunteers — friends, family and community members — joined the search effort to find Mr. Moore.

A group of U.S. Olympic Sailing Team members and staff launched a GoFundMe.com crowdfunding campaign to provide financial support to the volunteers who gave their time, skills, boats and resources to find one of America's best and revered sailors.

In total, Coast Guard search and rescue teams, along with volunteers, searched more than 510 square nautical miles before the search was suspended. At the end of the search, "The Trevor Moore Search and Rescue Fund" donated the \$40,000 it raised to the Coast Guard Foundation's Fallen Heroes Fund in Trevor Moore's name.

"The Moore family is glad that excess resources from the Trevor Moore Search and Rescue Fund will be used to help the families of those who have sacrificed everything to rescue sailors in danger," said John Moore, Trevor's father. "The U.S. Coast Guard went above and beyond in attempting to help Trevor, and we are grateful for everything they did during the search."

## COMBINED FEDERAL CAMPAIGN

The Coast Guard Foundation participates in the Combined Federal Campaign (CFC number 10514) and dedicates 100 percent of the funds raised through this appeal to the Coast Guard Foundation Shipmate Fund. Special thanks and appreciation to the hundreds of individuals who contribute to the Foundation through this effort; your generosity directly impacts Coast Guard members and their families stationed around the country.
